RE: Reclamation Surety Cancellation
Crystal Mine
ACT/045/010
Tooele County, Utah

Dear Mr. Hullinger:

The Division of Oil, Gas and Mining has been informed by Commercial Union Assurance Companies that they wish to cancel Bond No. CA 71146 59, effective April 16, 1983.

Therefore, in order for McFarland & Hullinger to continue mining operations at the Crystal Mine according to Section 40-8-14 of the Utah Mined Land Reclamation Act, a replacement bond in the amount of \$17,000.00 must be obtained prior to the above effective date of cancellation. Failure to acquire a replacement surety may result in withdrawal of approval to mine per Section 40-8-16, and possible administrative action.

I look forward to your early attention in this matter. If you have any questions, please don't hesitate to call me.

Sincerely,

JAMES W. SMITH, JR.
